Our Appeal

We humbly request all brothers and sisters to take part in this noble cause of purchasing this building to convert to a permanent Masjid and Islamic Center. Only with the generous contributions and help, Insha-Allah, we will be able to complete this project.

Allah سبحانه و تعالی says ...

Who is he that will lend to Allah a goodly loan, then (Allah) will increase it manifold to his credit (in repaying), and he will have (besides) a good reward (i.e. Paradise). (Holy Quran 57:11)

The project to establish the first permanent Masjid and Islamic Center in St. Mary's County is currently estimated to cost, with purchase and renovations: \$250,000 USD.

Our beloved Prophet ﷺ says in his famous Hadith ...

Whoever builds a Masjid for the sake of Allah, Allah will build for him a mansion in Paradise.

In another narration, Prophet ﷺ said ...

Wealth is never diminished because of charity.

Please contact us with any questions or concerns, or with any suggestions you may have to complete this project successfully.

Islamic Center of Lexington Park

To those who do good, there is good in this world, and the Home of the Hereafter is even better! (Holy Quran 16:30)

Our Vision

Establish St. Mary's County MDs first permanent endowed Masjid that will serve the areas fast growing multi-cultural community of today and many generations to follow.

Our Mission

To purchase a building and property to establish the Islamic Center of Lexington Park (ICLP) for the focal point for the many transitional Muslims of the St. Mary's County, the rapidly growing permanent local community and the neighboring communities.

Assalamu alaikum Wa Rahmatullahi Wabarkatuh

Dear Brothers and Sisters in Islam,

ICLP was first established July 2001 by 3 Muslims who moved to the area for work. These 3 travelled 45 minutes to Prince Frederick, the location of the closest Masjid, to perform Jumua'h prayers.

* Starting in 2003, the community now approximately 5 members, prayed at the Chapel in the Patuxent River Naval Air Station.

* By 2005, the community grew to around 15 members and started to hold Jumua'h in the Lexington Park Library.

* Starting in 2010, after the community grew to over 40 members, ICLP started renting a 1200 sq ft building with a 500 sq ft Musalla as a temporary center.

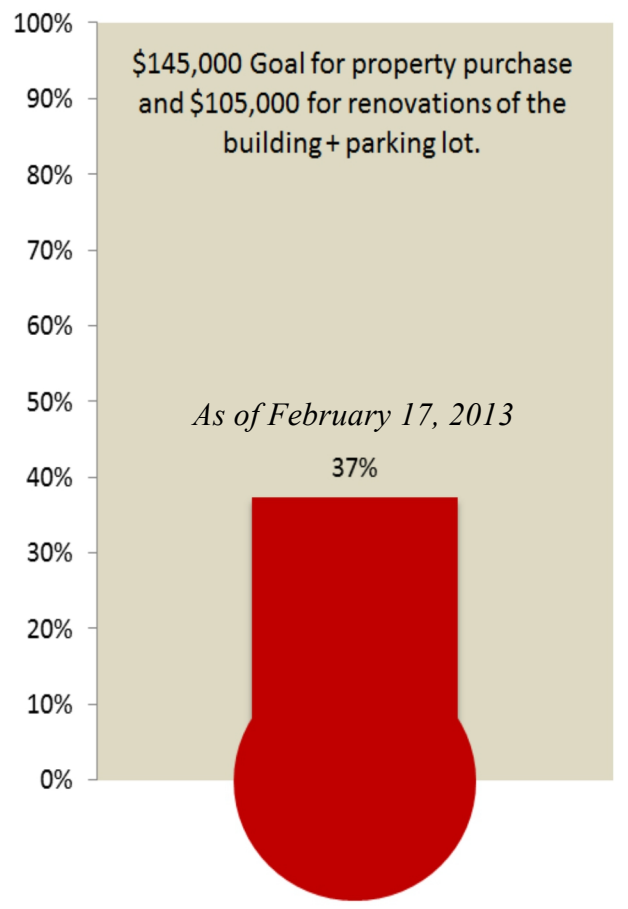

* Since 2010, the community has grown to over 70 members with the addition of 7 babies, many new families, and about 8 reverts to Islam.

The community has grown to the size where it becomes imperative for us to seek a building and property to establish a permanent Masjid to conduct our religious actives and expand our Dawah program.

Our Objectives

Insha-Allah, the proposed Islamic Center will:

- * Serve as a focal point for the Muslim community in St. Mary's County
- * Provide means for daily Salah, Jumua'h, Taraweeh & Eid Prayers
- * Provide weekly evening Hifz and Quran classes for children and adults
- * Provide funeral & family counseling services
- * Motivate and involve the community in religious and social activites and services
- * Provide Islamic education to the youth through training sessions, camp and establishment of youth programs

Fund contributions from ICLP community:
\$ 59,950.00

Fund short term loans from ICLP community:
\$ 33,500.00

The ICLP community is a rapidly growing group in St. Mary's County. Many of our members are employed at the Patuxent River Naval Air Station, St. Mary's College, DoD contractors, and area medical related offices. We are working diligently towards establishing the area's first Masjid just over 1 mile away from the county's largest employ, PAX River NAS, and just over 1.5 hours south of Baltimore and 1.25 hours southeast from DC.

The property we are working towards endowing as a Masjid is over 2800 sq ft of useable building space on 1 acre of land listed as CMX by the county. It is located just steps off the main road MD-235. Renovations house to a Masjid will be required prior to the community officially moving in.
